All Saints Sunday! Nov. 3

Celebrating Saints who have passed & New Saints who have been recently Baptized.

For All Saints Sunday, St. James' hopes to fill the church with hundreds, if not thousands, of faces of those saints - parents, siblings, children, best friends, neighbors & PETS! - we see no more, but will see through the photos you provide as part of this annual celebration of their lives. Adding a special feature to worship this year to honor our recently baptized! Invite your family & friends-this is the perfect time to surround ourselves with the love of God!
